VOLUNTEER SCREENING INITIATIVE

Overview

In 1999 Sport Alliance and Volunteer Canada approached The Ontario Soccer Association to serve as a pilot organization to develop and test a Volunteer Screening Program for sport. The OSA had adopted a Harassment Policy and was in the process of developing a training program for Harassment Officers. The OSA's Board of Directors agreed that a "pro-active" volunteer screening initiative would more than compliment the "reactive" harassment policy.

A volunteer screening initiative of this magnitude could impact as many as 50,000 volunteers, i.e., coaches and managers etc., in Ontario, therefore, it was essential this initiative be developed in consultation with Clubs and able to be delivered by Clubs.

During this time period the Burlington Youth Soccer Club (BYSC) volunteered to be a pilot Club. A Task Force comprised of BYSC representatives, Volunteer Canada and The OSA met on a regular bases since April to create a program that would encompass the responsibilities associated with the principle of "**Duty of Care**" i.e., **Soccer's legal obligation to protect its membership especially children.**

The Task Force reviewed the roles and responsibilities of all positions within the Club assessing a level of risk to each position. A set of screening measures were established and applied proportionately to these positions and their level of risk.

The Screening measures included requirements like:

1. Application Forms with References
2. Interviews
3. Police Checks
4. Training and Education
5. Reporting Mechanism
6. Evaluations

The BYSC Board approved in principle the initial recommendation of the Task Force and its application to Representative Team Coaches. The Volunteer Screening initiative was part of this season's appointment process.

The remainder of the Volunteer Screening policies and practices were proposed to the BYSC Board and adopted in principle and tested during the 2001 soccer season.

The BYSC Membership gave the BYSC Board permission to pilot the Volunteer Screening Initiative during the 2001 season.

The BYSC administered an orientation to 320 coaches lasting approximately one hour. There were no real issues in the process. It was recommended to keep the sessions to smaller groups for discussion purposes.

Following an evaluation of the pilot initiative, the OSA Board of Directors approved implementation of the policy for competitive coaches prior to the start of the 2003 season and for recreational coaches prior to the start of the 2004 season. This policy was submitted and approved by The OSA Membership at the November 2001 Annual Meeting.

CRIMINAL RECORD CHECK

The Pembroke Soccer Club Constitution, Rules and By-Laws require all positions within the Club to submit a Police Record Check prior to appointment with the Club

In the event of any irregularities on a Police Record Check the matter will be referred to the PSC Screening Committee.

Following initial appointment to a position within the PSC which requires a PRC, no additional PRCs will be required for a period of four (4) years, as long as one serves with the Club without interruption.

HARASSMENT POLICY

The Pembroke Soccer Club will abide by the Harassment Policy of The OSA.

In the event someone in the Club wishes to lodge a harassment complaint, such shall be submitted in writing to the District's Harassment Officer(s).

The Harassment policy is available through the Club.

DISCIPLINE POLICY

PLAYING/COACHING WHILE UNDER SUSPENSION

Any player who participates in any games or practices involving Pembroke Soccer Club teams while under suspension will be subject to further discipline.

A team will forfeit any points accumulated during games in which a suspended player participated in any fashion.

A coach who allows a suspended player to participate in any games or practices while under suspension will be subject to further discipline.

COACH'S RESPONSIBILITIES

The Coach or Team official in charge at the game in which an ejection occurs must notify the House League Convener.

LEAGUE CONVENOR'S RESPONSIBILITIES

Upon being notified of an ejection, the House League Convener will notify the Discipline Chairman and League Coaches of the player or coach who is subject to an automatic suspension

Notification to the Coaches need not be given until the night before the next regularly scheduled game.

DISCIPLINE BOARD - CHAIRMAN

The Pembroke Soccer Club shall appoint a Discipline Chairman who shall reside over discipline matters referred to him by the Club. The Discipline Chairman shall appoint two other persons to assist with discipline matters.

Volunteers not adhering to the Terms of Reference set out for their position shall be referred to the Discipline Board.

All discipline matters shall be handled in writing.

ZERO TOLERANCE POLICY

The Pembroke Soccer Club is a strong supporter of making sport safe for our youth. Over the last couple of years, verbal abuse directed towards referees has been a particular problem. Accordingly, the Pembroke Soccer Club has set up the following program to help ensure the safety and enjoyment of all.

Policy

Any coach, parent, grandparent or guardian judged by the PSC Discipline Committee to be guilty of abusive conduct towards a game official during a PSC House League game will be reprimanded in writing. A second conviction during the same season will result in the member being restricted from all services rendered by the Club including attendance at all soccer activities within the Club. In extreme cases, as determined by the Discipline Committee, a member may be reinstated subject to a review hearing.

Policy Procedures

When a game official feels that they are being abused, as per the scope of this policy, by either a coach or fan, the official will be allowed to suspend the playing of the game. If the abuse is physical, the game official is advised to inform the coaches that the game has been abandoned and then proceed with step 4.1.

The official will then verbally advise both coaches that the game has been stopped due to the abuse and inform both coaches as to the source of the abuse. If the source is one of the coaches, the official will advise the coach that the next occurrence of a similar nature will result in an abandonment of the game and that a report to the PSC Discipline Committee will be sent in for review. If the source is a fan, the appropriate coach will provide the official with the name of the fan and the coach must advise the fan that the next occurrence of a similar nature will result in an abandonment of the game. Further, a report to the PSC Discipline Committee will be sent in for review. If the fan is not associated with either team, both coaches are asked to speak to the fan and as the individual to leave.

Once the prescribed action in step 2 has been completed, the game will restart with a dropped ball between the two teams at the location where the play was stopped.

If the abuse continues, the official will be allowed to stop any further playing of the game and advise the coaches that the game has been abandoned and that a special incidence report will be forwarded to the PSC Discipline Committee. The official must clearly indicate on the game sheet that the game was abandoned due to abuse.

- 1 The game official must contact either their Referee Coordinator or a member of the Executive to verbally report the incident within 24 hours.
- 2 A Special Incident Report, with the assistance of the Referee Coordinator or a member of the Executive, if required, must then be forwarded to the PSC within 72 hours.
- 3 The PSC Discipline Committee will then review and deal with the report as per their guidelines.
- 4 If the game was abandoned due to the conduct of a fan not associated with either team, the Executive will determine the status of the game.

If the game continues without any further incident, the game official is advised to inform their Referee Coordinator that the game was temporarily suspended due to abuse towards a game official.

Further, a note should be made on the game sheet.
